Dear Kindfund Supporter

Welcome to the Kindfund family and thank you for helping with fundraising!

As you probably know, Kindfund is an established Christian charity supporting the poor among the pastoralist Turkana, Samburu and Rendille tribes of Northern Kenya.

Kindfund has built children's homes in each of these tribal areas, where orphans can feel safe and loved, and where—through education—we try to give them the best possible opportunity to lead happy and fulfilled lives.

We provide school buildings and regular payment for teachers in these rural tribal areas, and we support a local school for children with hearing impairment; plus we help struggling children's homes and schools which are located near to us. Our other projects include drilling boreholes, building wells and providing handpumps for safe, clean water and providing a feeding programme for the most vulnerable children.

Every penny given to Kindfund goes directly to those in need in Kenya. Your support will enable Kindfund to continue in this work and give young children the love, security and support which each and every one of them deserves.

Our website is updated regularly with details of what is happening with Kindfund in Kenya, and across our support base in the UK and Ireland. We can't wait to publish details of your fundraising event on our news page!

Also, five times each year we publish a Prayer Letter with specific requests for prayer support for our work. If you wish to receive this, do please email your details to info@kindfund.com and you will be added to our growing email list.

Everyone at Kindfund sincerely appreciates your generous gift of your time and energy. Please let us know if there is any way in which we can help you in your fundraising effort.

Thank you again for enabling us to give vulnerable young children a reason for hope.

Barikiwe (be blessed)

Ken & Pam Dobbin
